

BOLT-ON QUICK EXIT SHROUD

This security shroud is designed to prevent access from the outside of the gate, meaning that intruders cannot reach round and operate the lock. No fixings are required, simply bolt the shroud on in front of the lock.

Can be used in conjunction with the Quick Exit Action Key or Digital Lock.

Whilst every effort has been made to ensure the accuracy of the information supplied. F.H.Brundle cannot be held responsible for any errors or omissions. This product must only be employed for its original intended use. Any other use is wrong and potentially dangerous. Installation must be carried out in full compliance with current regulations. F.H.Brundle cannot be held liable for any damages resulting from wrongful, erroneous or negligent use.
