Placed order, nice lady rang to advise delivery day, some steel missing, company sent email apologizing, quickly sorted and couriered to me. I've used them half dozen times now and can't fault them.

First time I dealt with this company and couldn't be happier: competitive price, fast delivery and helpful driver who delivered the goods in good condition and even had the courtesy to let me know what time he would be arriving (he was a few minutes early!) So, all in all a very good experience.

The choice of materials is wide, high quality, delivered very quick, the driver is very helpful and friendly), customer service fantastic. What more can you ask? When it comes to metal items don't look any further, the best supplier by a mile.

I've used F H Brundle for various projects (garden stairs, balustrade, fencing) and on latest one, they didn't have enough gabion baskets in stock so lady in the office kindly split the order and sent everything which was available and remaining to follow when stock arrives. No extra charge for double delivery. Very impressed!

Thomas Zarzycki – March 2021 ★★★★★

I would recommend this company for hard-to-find items and delivery times Thank you.

William White – March 2021 ★★★★★

I only bought a gate latch small item not expensive... I could not have had better service if I had spent thousands of pounds... Most impressed... would recommend to anyone.

I placed an order online for composite board samples and some steel. Both my orders arrived in a timely manner with tracking numbers provided. FH Brundle offers a huge selection of items on their website and importantly their steels are competitively priced. Keep up the good work.

From order to delivery was 3 days. Exactly what I ordered, and the delivery man was very pleasant. He came just I was leaving for work so a perfect delivery scenario for me. Thanks, will use again if needed.

Mr Steve Atkinson – February 2021 ★★★★★

Absolutely top-notch steel and service to match. When the Tuffnells delivery driver caused a problem with the order, F H Brundle rectified it personally, sending out their own driver. As a combat robotics team, we probably weren't their usual type of client. Despite this, they were incredibly helpful, informative, and professional. Whatever your fabrication needs, I'd be hard-pressed to recommend anyone else. I couldn't be happier with F H Brundle!

Aidan Stevens – February 2021 ★★★★★

Placed an order for some stainless 316 balustrade. Despite all the currently logistical issues the world seems to be having, I received it in good time and even when there was a delay on some of the parts, I had constant updates, from a human not a computer! I honestly cannot recommend the products and service more! The world needs more companies operating like this and Charley you are a credit to the company. Thanks for all the help. The balustrade looks incredible.

Sam Bennett – January 2021 ★★★★★

First time customer, with just a small order of two galvanised fence posts. But despite this I received great service - good communication at all stages, and very quick delivery, despite the items having to come from another branch. A very happy customer, and I hope to have the opportunity to use FH Brundle again.

Phil Shemmings – January 2021 ★★★★★

Great range in stock and swift delivery.

Micky 77 – November 2020 ★★★★★

Angela McKichan – January 2021 ★★★★★

Mark Bartlett – October 2020 ★★★★★

I was looking for somewhere that could supply a small amount of steel rods to make some garden plant supports. F H Brundle were far cheaper than my local merchant even with the delivery. Ordering online was easy. A day later I realised I needed to add to the order. A quick email and my order was updated and I was asked to telephone to pay the balance. Delivery was fast and the driver helped carry the steel round to the side the house. I have no connection with FHB - just a first time customer delighted by the service I received. Many thanks.

MPM Welding – August 2020 ★★★★★

Very good honest company do exactly what they say they're going to do never any hidden charges.

Nick Berkovi – August 2020 ★★★★★

After receiving a recommendation from a account holder here, I placed an order. Excellent product choice with a great website to suit. For the metal trade, if you can't get it here I doubt you'll get it anywhere! Such a wide variety of metals and ironmongery. Placing my order on the web, I was swiftly contacted to inform a few of my items were unfortunately currently out of stock. I spoke to a highly motivated lady named Gemma, she was able to find an alternative solution. F H Brundle went way over expectations to resolve my issue. The alternative products were priced slightly more than my original order value but they still charged me the same amount as previously quoted. You don't get that every day! Overall, very happy with the resolution and customer service was flawless. Delivery excellent also, ordered Tuesday night and arriving on Thursday morning. If you're looking for anything metal wise definitely give F H Brundle a try. Great company.
