# Welcome

**In this brochure we aim to give you a taste of the wide range of stylish fencing systems and solutions that we offer. We have many options available, designed to meet modern tastes and requirements.**

Our stylish range includes Marano® aluminium fence slats and Rinato™ polymer boards, both of which come in a range of contemporary colours and stunning finishes ideal for privacy gates infills and fence panels. What could be better than no maintenance.

Our friendly staff are always pleased to offer help and advice about all our products and welcome any enquiries you may have. We keep large stocks and have an efficient delivery service.

To make life simple, you can order online, over the phone or call into your local branch.

We look forward to being of service.

# Marano<sup>®</sup> Aluminium Fence Slats

4 stylish designs

Aluminium fence slats provide a long lasting, lightweight, low maintenance, easy to work with perimeter solution. Marano<sup>®</sup> is easy to install and produces stunning results that will last for years.

## Marano<sup>®</sup> Convex

Our profiled convex slats come in 2 contemporary colours, Golden Oak wood effect and Anthracite and fit easily to any post.

## Marano® Stripe

These double-sided slats have one side smooth and the other grooved, allowing you to alternate the faces to produce differing effects. Their tongue and groove design makes them quick and easy to assemble.

## Marano® Elements

Our most versatile system yet which enables you to create unique styles with the use of double-sided slats and the choice of acrylic infills or anodised aluminium strips.

## Marano<sup>®</sup> Breeze

Breeze is our easy to install slatted kit for 1.2 and 1.8m fence heights. Its discrete fixing system gives you the perfect finish.

# Rinato™ Polymer Fence & Gate Boards

The look of wood without the hassle

Experience the beauty of wood with the benefits of polymer. A stunning high-quality board that's long lasting, low maintenance and perfect for use as privacy gate infills or fence panels.
